**System Tune-up:**

Overall system tune-up:	\$80
<i>Defrag HD, optimize swapfile, graphics driver update, optimize CDROM caching, optimize the Registry, optimize resource allocation, disabling resource hogging programs, etc</i>	

**Troubleshooting:**

General troubleshooting	<u>Please call</u>
<i>These are difficult to price without seeing the problem first hand. Typically, it will take less than an hour (\$80) if it's something I can fix. The best way to do this is to have me come over and look at the problem (no charge), and go from there. I guarantee your satisfaction, so if I don't solve the problem, you don't pay.</i>	

**Virus Scanning:**

Full System Scan	\$50
Installation of shareware scanner software	\$30

**Networking:**

Two computer network	\$200*
Additional computers	\$100* each
Add shared device	\$20 per computer
<i>* Price reflects "same room" installation. Difficult cable routing or other limitations will affect final cost.</i>	

---

**Consulting:**

General consultation on purchases, upgrades, how-to's, you name it.
